

## **CANI-TABS® BRAIN & NEURO**

Palatable tablets

Nutritional Supplement Promoting Health and Functioning of the Brain and Nervous System

## Formulation

Nutritional supplement promoting health and functioning of the brain and nervous system. Indicated as support for the correct development of the brain and nervous system in young animals. For prevention and support in the treatment of pathologies that affect the nervous system. Also, as support for the improvement of attention span, memory and learning ability.

## Dosage and Administration

Daily oral supplement. Due to its high palatability, it can be administered directly, before meals or by disintegrating them and mixing them with them. Canines: dogs weighing up to 5 kg: 1-2 tablets daily. Dogs from 5 to 25 kg: 3-4 tablets daily. Dogs weighing more than 25 kg: 5-6 tablets daily as a maximum dose. Felines: 1 tablet daily for every 2 kg of weight
